

New Business Assistance with NEIS

Your
pathway to
business
success

My Pathway

Refocus or start your own business

Do you have a great idea for a business but need support to get started? Perhaps you run a business (less than 5 employees) and need help to readjust operations to COVID normal conditions.

My Pathway delivers the NEIS program at no cost to eligible participants. Let us help you achieve your goals and bring your business to life.

Course details:

Assistance to develop business & financial plans

Accredited qualification
(Certificate III BSB30220 or Certificate IV BSB40320 in Entrepreneurship and New Business)

Tailored support & mentoring
(from our local experts in the first year)

✓ You may be eligible for financial assistance.
